A man named Mohammed sits in a cafe in Vienna, about to propose a deal to a Colombian. Mohammed has a strong network of agents and sympathizers throughout Europe and the Middle East, and the Colombian has an equally strong drug network throughout America. What if they were to form an alliance, to combine all their assets and connections? The potential for profits would be enormous-and the potential for destruction unimaginable. A new generation takes over, in Tom Clancy's extraordinary-and extraordinarily prescient-new novel.
