Sexuality and Long-Term Care

Gayle Doll M.S. Ph.D.

Sexuality and Long-Term Care Gayle Doll M.S. Ph.D.

The first book to take a person-centered approach to resident sexuality in long-term care, this groundbreaking resource addresses the question of how long-term care facilities can respond to the sexual desires of older adults while balancing individual resident rights against the needs and concerns of the community as a whole.

Informative, engaging, and instructive, **Sexuality & Long-Term Care : Understanding and Supporting the Needs of Older Adults** represents sexual expression as a significant part of personality, explains why it is important to honor longings for intimacy, and provides strategies for teaching staff how to effectively, respectfully, and compassionately acknowledge those needs. Case studies illustrate potential issues surrounding resident sexuality and provide ample opportunities for healthy discussion about how the staff handled the situation, what was done well and what wasn't, and how to improve the outcomes.

Long-term care administrators, nurses, social workers, counselors, direct care staff, ombudsmen, and others devoted to enhancing the quality of life in nursing homes will learn how to address and prevent inappropriate behaviors, what normal sexual expression is in old age and how dementia affects it, how to accommodate the needs of LGBT residents, ways to protect residents from sexually transmitted diseases, and much more.

Valuable tools for staff training are included that encourage staff and managers to explore attitudes and biases about the sexuality of older adults and help organizations develop policies related to this fundamental need.

Fully grounded in research, **Sexuality & Long-Term Care** will enlighten anyone who believes sexuality vanishes with age and offers many useful solutions for navigating this controversial issue.

From reader reviews:

Barbara Tucker:

What do you concerning book? It is not important together with you? Or just adding material if you want something to explain what the one you have problem? How about your extra time? Or are you busy man? If you don't have spare time to complete others business, it is make you feel bored faster. And you have extra time? What did you do? Everybody has many questions above. They should answer that question because just their can do in which. It said that about e-book. Book is familiar in each person. Yes, it is suitable. Because start from on pre-school until university need this specific Sexuality and Long-Term Care to read.

Jeanie Hynes:

As people who live in the modest era should be revise about what going on or data even knowledge to make these people keep up with the era which is always change and progress. Some of you maybe will certainly update themselves by reading through books. It is a good choice for you personally but the problems coming to anyone is you don't know which one you should start with. This Sexuality and Long-Term Care is our recommendation so you keep up with the world. Why, because book serves what you want and wish in this era.

Bernard Kovach:

Nowadays reading books are more than want or need but also become a life style. This reading practice give you lot of advantages. Associate programs you got of course the knowledge the actual information inside the book in which improve your knowledge and information. The info you get based on what kind of guide you read, if you want drive more knowledge just go with education and learning books but if you want sense happy read one together with theme for entertaining for example comic or novel. The particular Sexuality and Long-Term Care is kind of guide which is giving the reader erratic experience.

Hoyt Adkins:

Do you like reading a publication? Confuse to looking for your selected book? Or your book seemed to be rare? Why so many question for the book? But almost any people feel that they enjoy for reading. Some people likes looking at, not only science book but additionally novel and Sexuality and Long-Term Care or maybe others sources were given know-how for you. After you know how the truly great a book, you feel want to read more and more. Science book was created for teacher or maybe students especially. Those books are helping them to bring their knowledge. In other case, beside science publication, any other book likes Sexuality and Long-Term Care to make your spare time considerably more colorful. Many types of book like this one.
