Theology in America: Christian Thought from the Age of the Puritans to the Civil War

E. Brooks Holifield

Theology in America: Christian Thought from the Age of the Puritans to the Civil War E. Brooks Holifield

This book, the most comprehensive survey of early American Christian theology ever written, encompasses scores of American theological traditions, schools of thought, and thinkers. E. Brooks Holifield examines mainstream Protestant and Catholic traditions as well as those of more marginal groups. He looks closely at the intricacies of American theology from 1636 to 1865 and considers the social and institutional settings for religious thought during this period.

The book explores a range of themes, including the strand of Christian thought that sought to demonstrate the reasonableness of Christianity, the place of American theology within the larger European setting, the social location of theology in early America, and the special importance of the Calvinist traditions in the development of American theology. Broad in scope and deep in its insights, this magisterial book acquaints us with the full chorus of voices that contributed to theological conversation in America's early years.

From reader reviews:

David Wolverton:

What do you think of book? It is just for students because they are still students or the idea for all people in the world, the particular best subject for that? Only you can be answered for that question above. Every person has diverse personality and hobby for each and every other. Don't to be pushed someone or something that they don't would like do that. You must know how great and important the book Theology in America: Christian Thought from the Age of the Puritans to the Civil War. All type of book can you see on many solutions. You can look for the internet options or other social media.

Mark Hoffman:

Reading a guide tends to be new life style on this era globalization. With studying you can get a lot of information that may give you benefit in your life. Having book everyone in this world can easily share their idea. Books can also inspire a lot of people. Many author can inspire their own reader with their story or perhaps their experience. Not only situation that share in the books. But also they write about the data about something that you need example of this. How to get the good score toefl, or how to teach your sons or daughters, there are many kinds of book that you can get now. The authors on this planet always try to improve their ability in writing, they also doing some study before they write to the book. One of them is this Theology in America: Christian Thought from the Age of the Puritans to the Civil War.

Jere Bingham:

Playing with family inside a park, coming to see the coastal world or hanging out with pals is thing that usually you could have done when you have spare time, subsequently why you don't try issue that really opposite from that. A single activity that make you not feeling tired but still relaxing, trilling like on roller coaster you have been ride on and with addition of information. Even you love Theology in America: Christian Thought from the Age of the Puritans to the Civil War, it is possible to enjoy both. It is good combination right, you still would like to miss it? What kind of hang type is it? Oh come on its mind hangout guys. What? Still don't buy it, oh come on its referred to as reading friends.

Corey Johnson:

As a pupil exactly feel bored to help reading. If their teacher questioned them to go to the library or even make summary for some publication, they are complained. Just little students that has reading's heart and soul or real their leisure activity. They just do what the educator want, like asked to go to the library. They go to generally there but nothing reading significantly. Any students feel that looking at is not important, boring and also can't see colorful pics on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore , this Theology in America: Christian Thought from the Age of the Puritans to the Civil War can make you sense more interested to read.
