We are like sheep amongst wolves. So therefore be wise as a serpent but be harmless as a dove, as explained in this book.

America Confusion Divide & Conquer shows how one side of America sees America as good. The other side of America sees America as evil. You will learn how America is conquered and divided by confusion.

World leaders have three objectives in mind: 1) recruit converts, 2) control lives, and 3) make money. You will learn the tricks and schemes to enforce a belief system often dividing the world into "good, aware, wonderful us" and "evil, unaware, ignorant them".

Confusion creates war within self and others. Criticism or complaints are handled by showing the subject that he, she or the systems are somehow flawed, not the group or the ideology being advanced.

The subject is taught the system is always right and they are always wrong. Contrary to what might be professed, they soon learn through experience that the system's only true authority is Jesus. Chess match between Good Vs Evil fighting for sovereignty.

## Plot Summary

One race of people was always accused of being racist due to their past but they have presently changed. The other races (who were the victims) had unforgiving hearts. They will not forgive until they have power, superiority, and world domination of their way of life including laws of the land and God.

The unforgiving race was full of envy. They even wanted to destroy the one true God that did not help them in their revenge process. So they made war with God. God commanded them to love one another, but they did not want to love. They wanted revenge...an eye for an eye so they would abandon God for their plots.

They've created their own god and faith that commanded them to destroy and kill those who do not believe the way they do.

At the end, they find out the one true authority is love which is Jesus.

This Book is attributed to Ephesians 6:12
