How to Tell a Story and Others

Mark Twain

How to Tell a Story and Others Mark Twain

In this collection of essays, Twain shares some of his personal tips on writing and storytelling - invaluable suggestions from the master of the art. "Fenimore Cooper's Literary Offences," the most famous and best-loved essay in this collection, is Twain's how-to guide for the would-be author. In this deliciously wicked essay he also lays out what writers should and must do if they want their fiction to live and breathe. In the title piece, "How to Tell a Story," Twain addresses the perfectly-timed pause and the uses of the dead-pan mask, as well as candidly sharing his own efforts to hone his platform skills. In "What Paul Bourget Thinks of Us," his job description for the "native novelist" is as fresh and accurate today as when Twain first wrote it. Writers and storytellers will find Twain's suggestions in this volume compelling and engaging.
