Judaism in Persia's Shadow: A Social and Historical Approach Jon L. Berquist

"This lively account of the influence of Persian history on the Hebrew Scriptures, and the people whose faith they express, places the emphasis exactly where it belongs. . . . this {is a} clear introduction . . . to the period, the time when a surprising amount of the Bible was written, but also to the issues of method that any serious study of the Bible must address".--Robert B. Coote, San Francisco Theological Seminary
