Essential Fashion Illustration: Men Chidy Wayne

First-hand experience and passion for fashion illustration were the driving forces behind the creation of *Essential Fashion Illustration: Men*. The first half of the book focuses on technical drawings of the human body. The second half then branches out to fashion illustration using media such as watercolor, pastels, acrylics, and pencils. *Essential Fashion Illustration: Men* is both a didactic tool and a base from which fashion illustrators can build their own unique styles.
