The General Educator's Guide to Special Education

The General Educator's Guide to Special Education

The essential guide for teaching effectively in the inclusive classroom!

The third edition of this handbook offers easy-to-implement ideas, recommendations, and answers to questions to help general education teachers provide top-notch support for all students. In addition to an all-new section that outlines the basics of the RTI model and intervention strategies, this resource covers:

- 13 categories recognized under IDEA 2004 for which students may be eligible to receive special education services
- A step-by-step explanation of the special education process
- Accommodations and modifications to help students access the general education curriculum
- The transition process for students with special needs
