The Little Book of Love Kahlil Gibran, Suheil Bushrui

Written by the world's leading expert on Gibran, this profound little book will be an essential addition to any reader's Gibran collection, and a perfect Christmas and Valentine's Day alternative for those tired with collections of clichéd romantic verse.

Regarding it as the raison d'être of the universe, Kahlil Gibran was never more insightful than when he wrote about love. Now for the first time, and illustrated with the poet's own paintings, his reflections on love and friendship have been gathered together in one volume, capturing the essence of love in all its forms and moods.
