The Significance of Salvation: A Study of Salvation Language in the Pastoral Epistles (Paternoster Biblical Monographs) George M. Wieland

The prevalence of salvation language in the Pastoral Epistles has been often commented on but rarely investigated. This careful study discovers a vital paraenetic role for salvation in all three letters, but finds distinctive soteriological emphases in each, challenging assumptions about the Pastoral Epistles as a corpus. Fresh exegetical insights cast light on the cross-cultural translation of early Christian ideas of salvation.
