Giant Book of Dot-to-Dot (Giant Books Series) Monica Russo

Connect the dots is just the beginning! Kids will have fun completing these animal pictures, but more than that they'll learn fabulous facts about hundreds of creatures from aardvarks to zebras. Whether extinct or still alive, endangered, or prehistoric, wonderful beasts all roam the pages of this delightful book. While children learn all about animals--their food, habitat, and size--they'll also begin to understand our ecosystem and how to conserve.

- Prehistoric Pictures: Enter the lost world of the sea turtle *Archelon*; the fierce little saurus *Deinonychus*; and the *Baluchhitherium*--the largest land mammal that ever lived!
- Extinct Animals: Meet some lost species, including the *Bali Tiger*, *Dodo*, and *Eastern Bison*.
- Endangered Creatures: We can still see the *African Elephant*, *Bengal Tiger*, *Koala*, *Panda*, and *Komodo Dragon*, but they may soon disappear.

There are lots of other wildlife, too, and mythological animals that you'll only find on the page!
