*** USA TODAY TOP 100 BESTSELLER! ***

***AMAZON TOP 25 BESTSELLER! ***

WARNING: Not a dark romance. Hot, dirty, snarky and funny...with a second helping of hot.

The Complete Serial! Also includes two exclusive bonus epilogues!

Warning: This is just the start. This doesn't end well. And it's going to get much worse before it ever gets better.

Cole:

I push her buttons. I want to push them in the good way. Dirty, up-against-the-wall, my-hand-in-her-pants kind of way.

But that's not possible, because I'm dark and she's light, and we both know it.

So I push her buttons in the bad way, making her hate me.

Hailey:

If a genie granted me three wishes, I'd ask for Cole Parker to never look at me again, that I'd forget the dark promise in his eyes, and that just once, before he vanished from my life completely, that he'd push me up against a wall and make me scream.

Then I'd go wash my mouth out with soap.

This story was originally published in a three-part serial. Those are included, as well as a bonus postscript section at the back with two additional scenes.

This is the complete story of Cole Parker and Hailey Dashford Reid. The Horus Group series will continue...
