Manual of the Civil War and Key to the Grand Army of the Republic and Kindred Societies (Classic Reprint) Worth Carnahan

To my Comrades of the Army and Navy: As a convenient reference to all matters pertaining to the Civil War, the G. A. E. and Kindred Societies, I consider Carnahan s Manual a most valuable work. It has never before been my pleasure to find so much valuable information couched in such concise and agreeable form. The record of service feature in connection therewith is especially commendable; affording as it does an opportunity for preserving to our children and our childrens children a history of our personal services during those four bleeding years of civil strife, in connection with a history of the War itself and a history of our Grandest of Organizations, the proper place for it.
