## **The Tao of Poo: Legend of Li Chang** Dirk McFergus

The Tao of Poo is a hilarious romp through Ancient China, told through the eyes of Li Chang, student of sewage to Taoist Master Lao Tzu. This outrageous and inventive short story is not just focused solely on crap itself, but the spirituality of crap. This parody of the Tao Te Ching begs the question: Is everything crap? McFergus translates Li Chang's master work from an ancient roll of toilet paper, a minor Chinese national treasure purchased on eBay, to uncover the lost legend of Li Chang.

DISCLAIMER: There is no Winnie the Pooh bear in this story. There is no piglet. The only honey pot in this story has crap in it. THIS IS NOT THE TAO OF POOH.
