*A Brand New Full Length Novel in the Bestselling Montgomery Ink Series*

On the wrong side of thirty, Austin Montgomery is ready to settle down. Unfortunately, his inked sleeves and scruffy beard isn't the suave business appearance some women crave. Only finding a woman who can deal with his job, as a tattoo artist and owner of Montgomery Ink, his seven meddling siblings, and his own gruff attitude won't be easy.

Finding a man is the last thing on Sierra Elder's mind. A recent transplant to Denver, her focus is on opening her own boutique. Wanting to cover up scars that run deeper than her flesh, she finds in Austin a man that truly gets to her--in more ways than one.

Although wary, they embark on a slow, tempestuous burn of a relationship. When blasts from both their pasts intrude on their present, however, it will take more than a promise of what could be to keep them together.
