Handbook on Injectable Drugs Lawrence A. Trissel

Since the publication of its first edition, "The Handbook on Injectable Drugs", edited by Lawrence A. Trissel, has sold well over 10,000 copies in print and CD-ROM format for single users and networks. It is the most popular reference of its kind, trusted by pharmacists and other health care professionals throughout the world. Take the fastest route to check compatibility and stability. "ASHP's Handbook on Injectable Drugs[registered]" has provided health care professionals with the most comprehensive source of injectable drug information for 30 years. No other drug reference examines parenteral drug stability and compatibility in such extensive detail. With the "Handbook on Injectable Drugs[registered], 15th Edition", you'll be able to: quickly find data on 359 drugs; cross-reference monographs with AHFS Drug Information; check how to prepare, store and administer drugs; and, search information accumulated from 2,723 references, 100 new to this edition. You'll appreciate the convenience of the new interactive CD-ROM edition as you: access the complete "Handbook on Injectable Drugs, 15th Edition"; screen up to five drugs/solutions for compatibility simultaneously; search concise table summaries of compatibility results; and, access original research through PubMed.

From reader reviews:

Angela Dreiling:

In this 21st millennium, people become competitive in each and every way. By being competitive at this point, people have to do something to make themselves survive, being in the middle of often the crowded place and notice by surrounding. One thing that sometimes many people have underestimated is the item for a while is reading. Yeah, by reading a guide your ability to survive rises then having a chance to remain than other is high. For yourself who want to start reading a new book, we give you that Handbook on Injectable Drugs book as a basic and daily reading book. Why, because this book is more than just a book.

Kimberly Franks:

Now a day folks who are living in the era where everything is reachable by means of the internet and the resources included can be true or not require people to be aware of each piece of information they get. How do individuals become smart in getting any information nowadays? Of course the answer then is reading a book. Examining a book can help folks out of this uncertainty. Information specifically this Handbook on Injectable Drugs book since this book offers you rich data and knowledge. Of course the info in this book is 100% guaranteed there is no doubt in it as you know.

Joshua Smith:

Playing with family in the park, coming to see the marine world or hanging out with buddies is a thing that usually you could have done when you have spare time, then why don't you try a thing that is really opposite from that. A single activity that makes you not feel tired but still relaxing, thrilling like on a roller coaster you are riding on and with additional info. Even you love Handbook on Injectable Drugs, you could enjoy both. It is a great combination right, you still would like to miss it? What kind of hangout type is it? Oh, it can happen in its mind hangout men. What? Still don't have it, oh come on its named reading friends.

Melissa Cox:

Your reading sixth sense will not betray a person, why because this Handbook on Injectable Drugs book written by a well-known writer who really knows well how to make a book that may be understood by anyone who has read the book. Written throughout in good manner for you, still dripping with every idea and creating skill only to eliminate your own hunger then you still question Handbook on Injectable Drugs as a good book but not only by the cover but also by content. This is one e-book that can break don't assess a book by its handle, so do you still need another sixth sense to pick this!? Oh come on your studying sixth sense already told you so why you have to listen to another sixth sense.
