Human rights and humanitarian diplomacy: Negotiating for human rights protection and humanitarian access (Key Studies in Diplomacy) Kelly-Kate Pease

Human rights diplomacy provides an up to date and accessible overview of the field, and serves as a practical guide to those seeking to engage in human rights work. Kelly-Kate Pease uses clear language and practical examples to teach readers the difficult skill of systematically looking at human rights and humanitarian negotiations. After a brief overview of human rights and what is meant by diplomacy, Pease argues that while human rights are internationally recognized, important disagreements exist on definition, priority and implementation. With the help of Human rights diplomacy, these differences can be bridged, and a new generation of human rights professionals will build better relationships.
