Waistcoats & Weaponry (Finishing School) Gail Carriger

Class is back in session....

Sophronia continues her second year at finishing school in style--with a steel-bladed fan secreted in the folds of her ball gown, of course. Such a fashionable choice of weapon comes in handy when Sophronia, her best friend Dimity, sweet sootie Soap, and the charming Lord Felix Mersey hijack a suspiciously empty train to return their chum Sidheag to her werewolf pack in Scotland. But when Sophronia discovers they are being trailed by a dirigible of Picklemen and flywaymen, she unearths a plot that threatens to throw all of London into chaos. With her friends in mortal danger, Sophronia must sacrifice what she holds most dear--her freedom.

Gather your poison, your steel-tipped quill, and the rest of your school supplies and join Mademoiselle Geraldine's proper young killing machines in the third rousing installment in the *New York Times* bestselling Finishing School series by steampunk author Gail Carriger.
