Whatever You Ask in Prayer Wesley Adams

This book teaches a simple form of prayer that gets results quickly. When the author was pumped full of deadly venom on a remote island, it was this type of prayer that he used to save his life. Unlike the creative thought used by the New Age proponents to obtain selfish pleasures, it fulfills all one's needs and desires by making the person whole. This book is a must read for those who are dissatisfied with the results of their prayers, and for those who seek to experience a more fulfilling life.
