A History of the Jewish People in the Time of Jesus Christ: Two Divisions in Five Volumes (Illustrated) Emil Schürer D.D. M.A.

— A Classic — Includes Active Table of Contents — Includes Religious Illustrations

In the fullness of time the Christian religion sprang out of Judaism; as a fact, indeed, of divine revelation, but also inseparably joined by innumerable threads with the previous thousand years of Israel's history. No incident in the gospel story, no word in the preaching of Jesus Christ, is intelligible apart from its setting in Jewish history, and without a clear understanding of that world of thought-distinction of the Jewish people.
