Against the Law (The Raines of Wind Canyon)

Kat Martin

Against the Law (The Raines of Wind Canyon) Kat Martin

At thirty-two Dev is "mostly retired" from Raines Investigations, content to run operations from his sprawling Arizona home. But Dev has never been able to say no to a beautiful woman, so when Lark Delaney comes to him for help, the former U.S. Army Ranger from Wind Canyon gets back in the game.

Lark is sexy, successful and dedicated to tracking down the baby girl her sister gave up for adoption. It should be a straightforward case, but it's not long before Dev uncovers a shady adoption ring and worse—the child's parents have been murdered and the little girl has been taken.

As the case grows dangerous and Lark needs him more than ever, Dev can't ignore his growing attraction for her. He also can't trust his judgment with women or the emotions he's long-since buried. But there's a chance, if he gets this right and saves Lark's niece, that he'll end up saving himself, too.

This great information may drawn you into brand new stage of crucial contemplating.

David Reed:

As a college student exactly feel bored to reading. If their teacher requested them to go to the library as well as to make summary for some book, they are complained. Just small students that has reading's spirit or real their hobby. They just do what the instructor want, like asked to go to the library. They go to at this time there but nothing reading seriously. Any students feel that studying is not important, boring along with can't see colorful images on there. Yeah, it is to be complicated. Book is very important for you personally. As we know that on this period, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore this *Against the Law (The Raines of Wind Canyon)* can make you experience more interested to read.
