America in the World: The Historiography of American Foreign Relations since 1941

This volume includes historiographical surveys of American foreign relations since 1941 by some of the country's leading historians. Some of the essays offer sweeping overviews of the major trends in the field of foreign/international relations history. Others survey the literature on US relations with particular regions of the world or on the foreign policies of presidential administrations. The result is a comprehensive assessment of the historical literature on US foreign policy that highlights recent developments in the field.
