The Twin River pack anxiously awaits the first full moon since Lia's arrival. Kane and Ronan clash as they both seek to claim their mate. Lia doesn't know what to expect when Delirium descends, but she does know one thing: There's only one way for her to join the pack.

First she must be Bitten. Then she must survive.

This is the second part of an ongoing story. Not a standalone. Cliffhangers abound.

For adult readers comfortable with ménage romance, as some installments contain explicit scenes with multiple partners.
