## A great read is just the beginning...

Instructor and student evaluations from coast to coast attest to the Dans' captivating writing. These award-winning bestselling authors know how to enthrall students with the subject they love best--psychology. But in the new edition of *Introducing Psychology*, they go even further to ensure that students won't commit one of the seven sins of memory--forgetting what they just read. **Special Cue Questions** and **Critical Thinking** questions give students the opportunity to process psychological concepts and aid their understanding and memory. And if you've ever heard someone parrot a widespread misconception, you'll welcome the new **Changing Minds** questions, short scenarios which ask students to confront common misunderstandings of psychological phenomena. Now the book that students love to read is as unforgettable as ever!

## DSM 5 Updates

Available for Fall 2014 classes, this update version features new content from the Dans in response to the release of the DSM-5. This new content is integrated into the text without changing pagination or the structure of the chapters. A special DSM 5 Supplement by the Matthew Nock, new coauthor with the Dans of *Psychology*, Third Edition, is available for Fall 2013 and Spring and Summer 2014 courses.
