Reality TV Shows that Truly Suck and Why!

Plus! How Reality TV Ruined TV Programming Forever

Stay Tuned Losers! The Networks are Banking that You'll Keep Watching!

So why does reality TV suck so bad? Because we accept the garbage they keep producing. One wretched excuse of a show after another is under produced and plastered all over our television screens for us to watch. All the while product and service advertisers spend millions for us to watch their ad blocks, hoping we'll buy their garbage. What a joke! What a waste of a \$1,250.00 60 inch HD LED flat screen smart TV (sounds even crazier when you actually type that out).

I know that I'm just a realist with high expectations and that I'm really hard to please. But when I consider how much the cable bill is verses the garbage cans of entertainment that I get to choose from, I don't think it all equates. So I thought.... We should start a coalition to demand an increase in not only family entertainment and choices as a whole as well as overall production value, but to attack the root of the entire problem right out of the gate. Reality TV!

Reality TV has replaced the family oriented sitcom that dominated television for half a century. It happened right before our eyes and we accepted the trade. The trade however was unfair! We got screwed! Big executives with fancy cars keep signing deals to film one ridiculous reality show after another, selling premium ad blocks to advertisers during the shows airing and making out like bandits in the end. No actors, no budgets, no sets, no real scripts... No art.... No Creativity!!! NO VALUE!!!!!!!!!!!!!!!!!!!!

So what are we going to do about it? Keep watching? Not me! And you shouldn't either!
