Get ready for academic and workplace success! This robust learning package integrates advanced word processing, document formatting and design, and communication skills within a single text, along with a strong emphasis on honing skills by competing projects in a realistic office environment. Using Microsoft Word 2016, you will format advanced business correspondence, tables, reports, mail merge files, graphics, and a broad range of common document types, including meeting, travel, news, legal, medical, and human resources/employment, as well as practicing real-time co-authoring on OneDrive. The text includes nine modular projects and two comprehensive projects to help you apply what you learn and prepare to be productive immediately when beginning your professional career. Combined with Skills Assessment Manager (SAM), the text makes learning even easier and more effective, allowing you to work independently from anywhere.
