RELIC HUNTERS

With two fragments of the akamitama in Mina's hands, the hunt continues to find the remaining pieces of the relic gem, imbued with legendary properties that can allow even a vampire to live on without feeding.

Mina's faction is but one of several groups after the gem fragments. The mysterious vampire known only as "Shadow" has been obsessively searching for the lost treasure without pause. Now a familiar face has returned to the Bund, offering information in exchange for the akamitama, just as Mina begins to grapple with the stone's life-changing effects.
