Danielle Steel - *Betrayal & Until the End of Time* 2-in-1 Collection Danielle Steel

Two Danielle Steel novels together for the first time in one collection!

Betrayal

At thirty-nine, Tallie Jones is a Hollywood legend. Her work as a film director is her passion and the center of her life; one after another, her award-winning productions achieve the rare combination of critical and commercial success. With no interest in the perks of her profession or the glitz and glamour of Los Angeles, Tallie maintains close and loving relationships with her college-age daughter and her aging father, and has a happy collaboration with Hunter Lloyd, her respected producing partner, confidante, and live-in lover. Rounding out the circle and making it all work is Brigitte Parker, Tallie's devoted personal assistant. Friends since film school, they are a study in contrasts, with Brigitte's polished glamour balancing Tallie's artless natural beauty, and her hard-driving, highly organized style a protective shield for Tallie's casual, down-to-earth approach. As Tallie is in the midst of directing the most ambitious film she has yet undertaken, small disturbances begin to ripple through her well-ordered world. An outside audit reveals troubling discrepancies in the financial records maintained by Victor Carson, Tallie's longtime, trusted accountant. Mysterious receipts hint at activities of which she has no knowledge. Soon it becomes clear that someone close to Tallie has been steadily funneling away enormous amounts of her money. In the wake of an escalating series of shattering revelations, Tallie will find herself playing the most dangerous game of all—to trap a predator stalking her in plain sight. In this riveting novel, Danielle Steel reveals the dark side of fame and fortune. At the same time, she brilliantly captures a woman's will to navigate a minefield of hurt and loss toward a new beginning.

Until the End of Time

Bill is a dedicated young lawyer working at his family's prestigious New York firm, who leaves everything he trained for to follow his dream and become a minister in rural Wyoming. Jenny, his wife, is a stylist whose heart and soul are invested in fashion. She leaves the milieu and life she loves to join him. The certainty they share is that their destinies are linked forever. Fast forward thirty-eight years. Robert is a hardworking independent book publisher in Manhattan, who has given up all personal life to build his struggling business. He is looking for one big hit novel to publish. Lilibet is a young Amish woman, living as though in the seventeenth century, caring for her widowed father and three young brothers on their family farm. In secret at night, by candlelight, she has written the novel that burns within her, and gets it into Robert's hands, wrapped in her hand-stitched apron. He falls in love first with the book, and then with the woman he has never met, living in the sequestered world of the Amish—a world without telephones, computers, electricity, modern conveniences, or cars. Although Lilibet faces banishment from her family and community, she embraces the opportunity to publish her novel, and is irresistibly drawn to the man who has heard her voice. Destiny is at work here. Fate draws her from her horse-and-buggy life toward his, and the publication of her novel. In the hands of master storyteller Danielle Steel, these two remarkable relationships come together in unexpected and surprising ways, as lovers are lost, and find each other again. If it is true that real love lasts forever and lovers cannot lose each other, then *Until the End of Time* will not only comfort and fascinate us, as destiny does her dance, but it will give us hope as well. Love and fate are powerful, irresistible forces, as Steel proves here, in a book about courage, change, risk, and hope...and love that never dies.
