Learn how to make iOS games using Apple's brand new 2D game framework: Sprite Kit. Through a series of mini-games and challenges, you will go from beginner to advanced and learn everything you need to make your own game!

iOS Games by Tutorials covers the following topics:

And much more, including: Fonts and text, saving and loading games, and three bonus downloadable chapters! The iOS Tutorial Team takes pride in making sure each tutorial we write holds to the highest standards of quality. We want our tutorials to be well written, easy to follow, and fun. And we don't want to just skim the surface of a subject – we want to really dig into it, so you can truly understand how it works and apply the knowledge directly in your own apps. By the time you're finished reading this book, you will have made 5 complete mini-games from scratch, from zombie action to space shooter to top-down racer!

From reader reviews:

Mark Hoffman: In this 21st century, people become competitive in every way. By being competitive today, people have to do something to make all of them survive, being in the middle of typically the crowded place and notice by surrounding. One thing that at times many people have underestimated this for a while is reading. Yes, by reading a guide your ability to survive rises then having a chance to stay than other is high. To suit your needs who want to start reading the book, we give you this iOS Games by Tutorials book as a beginner and daily reading book. Why, because this book is greater than just a book.

Adele Yeager: Your reading sixth sense will not betray anyone, why because this iOS Games by Tutorials e-book written by a well-known writer who knows well how to make a book which might be understood by anyone who all read the book. Written with good manner for you, dripping every idea and publishing skill only to eliminate your own hunger then you still have hesitation iOS Games by Tutorials as a good book not just by the cover but also by the content. This is one book that can break don't determine a book by its include, so do you still need one more sixth sense to pick this!? Oh come on your looking at sixth sense already told you so why you have to listen to a different sixth sense.

Irving Carlin: Are you kind of an active person, only have 10 or even 15 minutes in your day time to upgrade your mind ability or thinking skill actually analytical thinking? Then you are receiving a problem with the book compared to can satisfy your short period of time to read it because all of this time you only find a publication that needs more time to be read. iOS Games by Tutorials can be your answer as it can be read by anyone who has those short free time problems.

Bradley Bishop: In this period of globalization it is important to someone to find information. The information will make a professional understand the condition of the world. The condition of the world makes the information easier to share. You can find a lot of personal references to get information example: internet, newspapers, book, and soon. You can observe that now, a lot of publishers which print many kinds of books. The particular book that recommended to you personally is iOS Games by Tutorials this guide consists a lot of the information with the condition of this world now. This particular book was represented just how the world has grown up. The words and styles that the writer value to explain it is easy to understand. The particular writer made some exploration when he makes this book. This is why this book is appropriate for all of you.
