Rousseau in Drag: Deconstructing Gender (Breaking Feminist Waves)

Rosanne Terese Kennedy

Rousseau in Drag: Deconstructing Gender (Breaking Feminist Waves) Rosanne Terese Kennedy
Rousseau in Drag is a provocative new interpretation of Rousseau's gender politics. Rosanne Terese Kennedy reads Rousseau's well-known but brief flirtation with cross-dressing as a starting point to dramatically reconsider the standard reading of Rousseau as a misogynist. This study argues that rather than a figure of misogyny, Rousseau challenges normative gender identities, the couple, and traditional kinship relations. Reading Rousseau's classical political and philosophical works alongside his literary texts, Kennedy offers us an alternative vision of both Rousseau's sexual politics and his politics in general.
