Richard Kostelanetz

Soho: The Rise and Fall of an Artist's Colony Richard Kostelanetz

Soho: The Rise and Fall documents how a little-known industrial neighborhood in New York became, through one of the accidents of history, a nexus of creative activity for a brief but intensive period. Such an ideal situation--entirely unplanned--could not last forever; the author shows how market forces squeezed out this art utopia, to be replaced by a shadow of its former self.
