**Star Trek: The Complete Unauthorized History** Robert Greenberger

**An unauthorized history of *Star Trek* TV shows and films, celebrating its enduring popularity and devoted fans.**

*Star Trek: The Complete Unauthorized History* is a loving and candid review of the fifty-year franchise, a story as full of plot twists as its hundreds of episodes and films. Greenberger, author of over a dozen *Star Trek* novels and short stories, tells this fascinating tale as only an expert and longtime fan could. He examines the behind-the-scenes saga--from the struggles of *Star Trek*'s enthusiastic creator, Gene Roddenberry, to realize his vision on the small screen, to the franchise's latest cinematic reinvention from J. J. Abrams--as well as the devoted fans who support its continued growth.

Featuring sidebars by such *Star Trek* authorities as Michael and Denise Okuda, as well as contributions from well-known fans, including astronauts Thomas D. Jones and Mario Runco Jr., *Star Trek: The Complete Unauthorized History* captures the long and bumpy road to *Star Trek* becoming an international, groundbreaking phenomenon. Greenberger explores the many ways in which *Star Trek* has earned its enduring place in pop culture, evidenced by myriad comic books, audio dramas, software, board games, short stories, novels, *Saturday Night Live* sketches, elaborate fan productions, and well-known catch phrases. More than two hundred photographs illustrate the book.
