## NANTUCKET NIGHTS

For 20 years, Kayla, Antoinette, and Val have performed their own special summer ritual. Once a year, the old friends put aside their daily, separate lives to drink champagne, swap stories, and swim naked under the Nantucket stars. This time though, one of them swims out from the shore and doesn't return. After the surviving friends emerge from their grief, they realize that the repercussions of their loss go far beyond their little circle, and they begin to uncover layers of secrets, and their connections to each other, that were never revealed on the beach. What has made their friendship strong now has the power to destroy their marriages, families--and even themselves.

## BLUE BISTRO

Adrienne Dealey has spent the past six years working for hotels in exotic resort towns and this summer has decided to relocate to Nantucket. Left flat broke by her ex-boyfriend, she is desperate to earn some fast money. When the desirable Thatcher Smith, owner of the hottest restaurant on the island, is the only one to offer her a job, she wonders if she can get by with no restaurant experience. There seems to be a lot at stake: The Blue Bistro is in its final summer, before closing its doors for good. Adrienne gets a crash course in the restaurant business and things seem to be going smoothly...until Thatch makes Adrienne break one of her cardinal rules, which is never date the boss. Instant chemistry notwithstanding, Adrienne can't quite shake the feeling that there's something more to Thatch's relationship with his brilliant chef Fiona. It's a mystery she can't quite solve. Does she open her heart for the first time, or move on, as she always does?
