Bird Songs: 250 North American Birds in Song by Les Beletsky 1st (first) Edition (9/21/2006)

There is a scratch on the front cover. Other than that the book is in fantastic shape. The book makes really neat bird sounds when you select numbers provided in the book. The book is in practically new condition with the exception of the scratch on the front cover. The cover has a goldish covering and the scratch unfortunately goes into the white part of the cover. The scratch is about 3 cm long or three pinky widths. The book is really awesome though.
