This guide is designed to help you prepare for the MEF-CECP exam. This guide assumes that you have a basic knowledge of Ethernet, but no prior knowledge of Carrier Ethernet. The guide covers all topics that are included in the MEF-CECP exam. Material is presented systematically, beginning with MEF service definitions (the core content that accounts for most exam questions) and building outward. Each lesson ends with a set of multiple choice review questions, similar to those appearing in the MEF-CECP exam, to help you evaluate your learning. The guide also includes strategic guidance to help you focus your efforts and efficiently prepare for the exam.
