The Cambridge Old English Reader

Richard Marsden

The Cambridge Old English Reader Richard Marsden

This reader remains the only major new reader of Old English prose and verse in the past forty years. The second edition is extensively revised throughout, with the addition of a new 'Beginning Old English' section for newcomers to the Old English language, along with a new extract from Beowulf. The fifty-seven individual texts include established favourites such as The Battle of Maldon and Wulfstan's Sermon of the Wolf, as well as others not otherwise readily available, such as an extract from Apollonius of Tyre. Modern English glosses for every prose-passage and poem are provided on the same page as the text, along with extensive notes. A succinct reference grammar is appended, along with guides to pronunciation and to grammatical terminology. A comprehensive glossary lists and analyses all the Old English words that occur in the book. Headnotes to each of the six text sections, and to every individual text, establish their literary and historical contexts, and illustrate the rich cultural variety of Anglo-Saxon England. This second edition is an accessible and scholarly introduction to Old English.

From reader reviews:

David Gaytan:

What do you ponder on book? It is just for students because they're still students or the idea for all people in the world, what best subject for that? Just you can be answered for that concern above. Every person has different personality and hobby per other. Don't to be obligated someone or something that they don't would like do that. You must know how great along with important the book The Cambridge Old English Reader. All type of book is it possible to see on many sources. You can look for the internet sources or other social media.

Sondra Spencer:

Information is provisions for people to get better life, information currently can get by anyone in everywhere. The information can be a knowledge or any news even a huge concern. What people must be consider when those information which is in the former life are difficult to be find than now's taking seriously which one is suitable to believe or which one the resource are convinced. If you get the unstable resource then you get it as your main information you will see huge disadvantage for you. All of those possibilities will not happen in you if you take The Cambridge Old English Reader as your daily resource information.

Susan Martinez:

This book untitled The Cambridge Old English Reader to be one of several books that best seller in this year, here is because when you read this book you can get a lot of benefit into it. You will easily to buy that book in the book retail outlet or you can order it by way of online. The publisher of the book sells the e-book too. It makes you quickly to read this book, since you can read this book in your Mobile phone. So there is no reason for you to past this e-book from your list.

Natalie Althoff:

As we know that book is significant thing to add our know-how for everything. By a reserve we can know everything we wish. A book is a group of written, printed, illustrated or perhaps blank sheet. Every year seemed to be exactly added. This guide The Cambridge Old English Reader was filled about science. Spend your time to add your knowledge about your science competence. Some people has distinct feel when they reading the book. If you know how big good thing about a book, you can feel enjoy to read a publication. In the modern era like right now, many ways to get book that you simply wanted.
