## **The Military and Society in Russia 1450-1917: 1450-1917 (History of Warfare, 14)**

This book explores interaction of the Russian military & society in the early modern & modern period. In contrast to straightforward military histories, the volume is concerned with the myriad political, economic & cultural currents that shaped the Russian armed forces from their beginnings in Muscovite times to the end of World War I. The book begins with an attempt by the editors to provide a large frame in which to place the various contributions.
