Arrested Development and Philosophy: They've Made a Huge Mistake

Arrested Development and Philosophy: They've Made a Huge Mistake

A smart philosophical look at the cult hit television show, *Arrested Development*

Arrested Development earned six Emmy awards, a Golden Globe award, critical acclaim, and a loyal cult following—and then it was canceled. Fortunately, this book steps into the void left by the show's premature demise by exploring the fascinating philosophical issues at the heart of the quirky Bluths and their comic exploits. Whether it's reflecting on Gob's self-deception or digging into Tobias's double entendres, you'll watch your favorite scenes and episodes of the show in a whole new way.

- Takes an entertaining look at the philosophical ideas and tensions in the show's plots and themes
- Gives you new insights about the Bluth family and other characters: Is George Michael's crush on his cousin unnatural? Is it immoral for Lindsay to lie about stealing clothes to hide the fact that she has a job? Are the pictures really of bunkers or balls?
- Lets you sound super-smart as you rattle off the names of great philosophers like Sartre and Aristotle to explain key characters and episodes of the show

Packed with thought-provoking insights, *Arrested Development and Philosophy* is essential reading for anyone who wants to know more about their late, lamented TV show. And it'll keep you entertained until the long-awaited *Arrested Development* movie finally comes out. (Whenever *that* is.)

Todd James:

Is it an individual who having spare time after that spend it whole day through watching television programs or just resting on the bed? Do you need something new? This Arrested Development and Philosophy: They've Made a Huge Mistake can be the solution, oh how comes? It's a book you know. You are thus out of date, spending your spare time by reading in this new era is common not a geek activity. So what these guides have than the others?

Allison Morales:

As a student exactly feel bored to be able to reading. If their teacher expected them to go to the library in order to make summary for some publication, they are complained. Just very little students that has reading's heart and soul or real their interest. They just do what the professor want, like asked to go to the library. They go to right now there but nothing reading very seriously. Any students feel that reading through is not important, boring as well as can't see colorful pictures on there. Yeah, it is being complicated. Book is very important to suit your needs. As we know that on this era, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. So , this Arrested Development and Philosophy: They've Made a Huge Mistake can make you experience more interested to read.
