What does faith look like in a multicultural world? There is no better example than that of Daniel, the young teen taken captive during the Chaldean conquest of Jerusalem and brought to the city of Babylon, a pagan metropolis under the leadership of a cruel tyrant king. Daniel's amazing story spans a lifetime in service to a pagan empire. Yet he never wavers in his commitment to the God he loved. In the course of serving the king of Babylon, we see his influence form a bond of trust resulting in some of the most remarkable chapters of the entire Bible. The prophecies given to Daniel were so detailed, critics have no choice but to claim the book was written after the events took place. It has proven to be among the most authenticated books of the Bible, one that even Jesus referred to as having been authored by Daniel himself.

If you want to see what real faith looks like, this verse- by-verse commentary takes you through the entire book of Daniel in everyday language, to give you thorough, life-changing insight. Includes comprehensive timelines, maps and photographs.
