Simple Prayer: Beyond the Religious Rut Don Enevoldsen

It is hard to imagine that Jesus intended his disciples to devote their lives to the sterile and repetitive ritual that typifies prayer for so many people. Everything he did in his ministry was focused on bringing life and growth, on making his followers effective. When they asked him to teach them how to pray, his answer had that goal in mind. Using the Lord's Prayer as a guide, Simple Prayer describes the essence of how Jesus taught his disciples to pray and how to effectively translate that into our own daily lives.
