The Native American in American Literature: A Selectively Annotated Bibliography (Bibliographies and Indexes in American Literature) Roger Rock

This bibliography is a starting point for those interested in researching the American Indian in literature or American Indian literature. Designed to augment other major bibliographies, it classifies all relevant bibliographies and critical works and supplies listings not cited by them. The author's general introduction provides bibliographical background for those beginning research in the field. Cited works are listed alphabetically by the author's or editor's last name in each of three categories: bibliographies; works about the Indian in literature; and Indian literature. Each citation is numbered and the cross-referenced subject and author indexes refer to each work by number, thereby facilitating speedy reference.
