THE NEIGHBORS CLUB LIKE YOU'VE NEVER SEEN THEM BEFORE!

Through their adventures and misadventures, the Neighbors Club has become a tight-knit group of...what's that word? People who hang out together laugh and cry together, bond over their own ridiculous in-jokes, squabble, and plan non-events. Not "friends"?if these misfits could make friends, why would they be in the club in the first place? Or so they think! It seems outsiders may see things very differently.

With no normal friends in sight, the club members continue to band together for both special and mundane occasions, whether it's choosing Halloween costumes, making the first shrine visit of the new year, helping each other find work, or simply trying to recruit new members. There could even be a duel or two in store?with this bunch, anything can happen!

In this one-shot spin-off collection of short stories, get a new perspective on the Neighbors Club as they go about their daily lives!
