It Had to Be Him (An It Had to Be Novel Book 1) Tamra Baumann

Even though Meg Anderson's hell-raising days are over, coming home to Anderson Butte isn't easy, especially when her impossible-to-please dad is the mayor and her do-gooder siblings run the place. But with another job lost and the gorgeous father of her daughter trying to make contact after disappearing three years ago, a break is definitely in order. Hopefully the little town filled with big, juicy secrets can help.

After being off the grid for years, Josh Granger, a man with his own secrets, wants Meg and his daughter back. But first he has to get past townspeople as protective as a pack of rottweilers. He's not the man Meg thinks he is, but he can't tell her why...not yet.

As Meg slowly warms to Josh, it's clear the old spark is still there. But when his secret is exposed—along with Meg's own shocking revelation—will it tear their family apart again, or bind them forever?
