The Culture of the Market: Historical Essays (Murphy Institute Studies in Political Economy)

The Culture of the Market: Historical Essays (Murphy Institute Studies in Political Economy)

Scholars have only recently begun to appreciate the extent to which the norms and practices that foster market societies have been shifting and conflict-ridden. The thirteen essays collected in this volume embrace the view that the experiences and feelings engendered by the historical development of market societies have been, and still remain, open to a broad range of interpretations. They also share the characteristic accents of a new approach to cultural history, in which careful examination of actions, texts, and artifacts is accompanied by an open-mindedness about what their examination reveals.
