The Epistle to the Hebrews (The New International Commentary on the New Testament) Gareth Lee Cockerill

This commentary by Gareth Lee Cockerill offers fresh insight into the Epistle to the Hebrews, a well-constructed sermon that encourages its hearers to persevere despite persecution and hardships in light of Christ's unique sufficiency as Savior. Cockerill analyzes the book's rhetorical, chiasmic shape and interprets each passage in light of this overarching structure. He also offers a new analysis of the epistle's use of the Old Testament -- continuity and *fulfillment* rather than continuity and discontinuity -- and shows how this consistent usage is relevant for contemporary biblical interpretation. Written in a clear, engaging, and accessible style, this commentary will benefit pastors, laypeople, students, and scholars alike.
