Defining Jewish Difference: From Antiquity to the Present Professor Beth A. Berkowitz

This book traces the interpretive career of Leviticus 18:3, a verse that forbids Israel from imitating its neighbors. Beth A. Berkowitz shows that ancient, medieval, and modern exegesis of this verse provides an essential backdrop for today's conversations about Jewish assimilation and minority identity more generally. The story of Jewishness that this book tells may surprise many modern readers for whom religious identity revolves around ritual and worship. In Lev. 18:3's story of Jewishness, sexual practice and cultural habits instead loom large. The readings in this book are on a micro-level, but their implications are far-ranging: Berkowitz transforms both our notion of Bible-reading and our sense of how Jews have defined Jewishness.
