There's more than one way to get the girl in this fun and fast-paced novel about one epic party and a kiss that could change everything.

Tonight's the night: Simon's big chance to finally get with Cassie. Cassie, who he's loved for ages. Cassie, who is newly boyfriend-free. Cassie, who just happens to be throwing the biggest party of the year. Simon's plan is simple: He'll go to the party, she'll fall in love with him, they'll make out like crazy, and the night will be a complete success.

But things don't ever go as planned...especially when it comes to Cassie.

In two alternating plotlines, Simon goes after the girl of his dreams and stumbles toward his destiny. It's one night, one party, and a thousand ways for things to go wrong...but a million ways for them to go right.

From reader reviews:

Leticia Simmons:

The book fml make one feel enjoy for your spare time. You should use to make your capable a lot more increase. Book can for being your best friend when you getting pressure or having big problem together with your subject. If you can make reading through a book fml to become your habit, you can get far more advantages, like add your own capable, increase your knowledge about some or all subjects. It is possible to know everything if you like start and read a e-book fml. Kinds of book are a lot of. It means that, science book or encyclopedia or other people. So , how do you think about this e-book?

Dolores Wade:

The actual book fml will bring you to definitely the new experience of reading some sort of book. The author style to clarify the idea is very unique. When you try to find new book to see, this book very suitable to you. The book fml is much recommended to you to learn. You can also get the e-book from the official web site, so you can easier to read the book.

Angela Rodriguez:

This fml is great e-book for you because the content which is full of information for you who all always deal with world and also have to make decision every minute. This kind of book reveal it info accurately using great manage word or we can declare no rambling sentences within it. So if you are read the idea hurriedly you can have whole data in it. Doesn't mean it only offers you straight forward sentences but tough core information with beautiful delivering sentences. Having fml in your hand like keeping the world in your arm, details in it is not ridiculous just one. We can say that no reserve that offer you world inside ten or fifteen tiny right but this e-book already do that. So , this can be good reading book. Hello Mr. and Mrs. busy do you still doubt that will?

Alfred Gates:

Reading a reserve make you to get more knowledge as a result. You can take knowledge and information from your book. Book is created or printed or outlined from each source that filled update of news. On this modern era like right now, many ways to get information are available for you actually. From media social just like newspaper, magazines, science reserve, encyclopedia, reference book, book and comic. You can add your understanding by that book. Isn't it time to spend your spare time to spread out your book? Or just searching for the fml when you needed it?
