The Public Librarian's Human Resources Handbook: Employer Rights and Responsibilities

David A. Baldwin

The Public Librarian's Human Resources Handbook: Employer Rights and Responsibilities David A. Baldwin

Whether you are a library supervisor with a few employees or an administrator with an entire human resources system, there are specific rights, responsibilities, and regulations that you must conform to. In plain language and with a practical, straightforward approach, Baldwin tells you about employment law relating to personnel recruitment and selection; the employment relationship; collective bargaining; wage and hour laws; employment benefits; discrimination laws; health, safety, and privacy; discipline and discharge; and income replacement. By informing themselves of these basic rights and regulations, librarians and library managers will be better equipped to deal with or avoid altogether some of the potential problems that arise between employers and employees in the public library arena. The book also reviews effective management techniques as a way to avoid potentially serious personnel problems. A glossary of employment terms is included.

After you know how the fantastic a book, you feel desire to read more and more. Science reserve was created for teacher or even students especially. Those ebooks are helping them to include their knowledge. In various other case, beside science book, any other book likes The Public Librarian's Human Resources Handbook: Employer Rights and Responsibilities to make your spare time more colorful. Many types of book like this one.

Gladys Jackson:

As a scholar exactly feel bored to help reading. If their teacher expected them to go to the library as well as to make summary for some guide, they are complained. Just very little students that has reading's internal or real their interest. They just do what the trainer want, like asked to the library. They go to there but nothing reading really. Any students feel that looking at is not important, boring along with can't see colorful photographs on there. Yeah, it is for being complicated. Book is very important to suit your needs. As we know that on this period, many ways to get whatever you want. Likewise word says, many ways to reach

Chinese's country. So , this The Public Librarian's Human Resources Handbook: Employer Rights and Responsibilities can make you really feel more interested to read.
