Zombie Church: Breathing Life Back into the Body of Christ Tyler Edwards

There is something missing in the church today. Stuck in a rut of routines and rituals, the church is caught up in doing what it is “supposed to do” but is lacking the true essence of what it is supposed to provide: life. Real faith--and a real relationship with Jesus--is not about playing by the rules, attending services, and praying before meals. Real faith is more than religion. Believing there is a way to breathe life back into the church, Tyler Edwards adopts a contemporary and entertaining metaphor--zombies--to highlight and challenge the problematic attitude of today’s believers.
