Messiah's Handbook: Reminders for the Advanced Soul Richard Bach

In Richard Bach's best-selling book *Illusions*, the mysterious hero Donald Shimoda seems to carry the keys to the universe with him as he barnstorms the Midwest in a Travel Air biplane. Shimoda's secret is a small book, bound in what appears to be suede, called the Messiah's Handbook. This slim volume, which the hero frequently quotes, is said to contain "whatever you need to know." All Shimoda has to do is hold a question in his mind, close his eyes, open the book at random, open his eyes—and the answer is there.

Here, at last, is the "lost book" from *Illusions*—the Messiah's Handbook. Within these pages, you will find the answers to all your most important questions as well as answers to questions that you may have never thought to ask—until now.
